## Ausstattung und Details

The entrance to this lovely home is located on a car-free courtyard.

The hallway, which includes a spacious wardrobe and a guest toilet with a washbasin, leads—via two steps—into the living room. Upon entering, the natural light and views of the garden and water immediately stand out. The living room is spacious with high ceilings. A glass sliding door at the rear provides direct access to the outdoors. The fantastic garden borders the water and offers plenty of space for play, sunbathing, relaxing, gardening, and al fresco dining. A unique feature is the private dock, perfect for a small boat or swim ladder.

A split-level connects the living room to the semi-open kitchen, which has space for a large dining table. The bright kitchen is equipped with built-in appliances including a ceramic cooktop, combination oven/microwave, dishwasher, fridge/freezer, and range hood. There is also a large and convenient pantry. The kitchen overlooks the car-free and very child-friendly courtyard at the front of the home. This entire level features a smooth screed floor with underfloor heating. At the front of the house, directly next to the entrance, is a practical indoor storage room.

Stairs in the hallway lead to the first-floor landing.

The bathroom, as well as a separate toilet, are centrally located on this floor. The bathroom is equipped with a bathtub, walk-in shower, and washbasin and is accessible from all rooms on this level. At the front is a spacious bedroom with views of the courtyard; at the rear are two bedrooms overlooking the garden and water.

The second floor is accessed by another staircase.

At the front is a very spacious bedroom with an en-suite bathroom. This bathroom has a walk-in shower, toilet, and washbasin, and is finished with fresh white tiles. At the rear is a utility room that houses the washing machine and neatly enclosed mechanical ventilation system.

It is possible to add an extension to the rear, creating even more space—ideal for a generous fifth bedroom with an adjacent balcony. A permit is required for this.
