A first impression

A short walk from the center of Torri del Benaco and immersed in a reserved and quiet residential context, we offer for sale a refined accommodation structure consisting of four independent apartments, ideal both as an income investment and as a multi-family solution or for tourist-receptive activity.

The property is developed on a total commercial area of about 320 square meters, divided into four residential units of about 70 square meters each, all equipped with independent entrance, private parking space and cellar of pertinence, ensuring comfort and functionality for each apartment.

The apartments are harmoniously distributed and enjoy a pleasant exposure, with bright, well-divided spaces that can be easily adapted to different living or accommodation needs.

At the common service of the units, there is a large garden of about 950 square meters, well-kept and rich in Mediterranean vegetation, as well as a beautiful condominium swimming pool, ideal for moments of relaxation and conviviality in a private and cozy atmosphere.

This property represents a rare investment opportunity in Torri del Benaco, one of the most popular locations on Lake Garda, perfect for those looking for a prestigious property with high income potential and versatile architectural features.

For further details, documentation or to arrange a confidential visit, we remain at your complete disposal.
